Fourth: The quantity of the Fentanyl was at least 40 grams.

STIPULATED FACTS:

On or about March 2, 2021, Haltom City police, while investigating a traffic accident, found two bags containing round blue pills marked with "M30" in Cole's possession. Laboratory tests confirmed the pills were more than 40 grams of a mixture and substance containing a detectable amount of N-phenyl-N[1-(2-phenylethyl)-4piperidinyl] propanamide, also known as Fentanyl. Cole admits he knowingly possessed this Fentanyl with the intent to distribute it.

For purposes of the forfeiture provision in the indictment only, Cole admits he knowingly possessed a Beretta, model PX4 Storm, 9mm pistol, bearing serial number PX2603U, as a prohibited person and that the Beretta firearm is subject to judicial or administrative forfeiture.

SIGNED this 12 day of August, 2021.
